HEALTH CARE ASSISTANCE PROGRAM (HCAP) POLICY

SECTION I. PURPOSE AND ADMINISTRATION.

A. PURPOSE.

1. This Health Care Assistance Program Policy (this "HCAP Policy") is established pursuant to the Indigent Hospital and County Health Care Act, Section 27-5-1 through 27-5-18, N.M.S.A. 1978, and pursuant to the Burial of Indigents Act, Sections 24-13-1 through 24-13-8, N.M.S.A. 1978 (the "Acts"). The general purpose of this HCAP Policy is to establish rules and regulations for the administration of the Los Alamos County Health Care Assistance Fund ("HCA Fund"). The HCA Fund consists of gross receipts tax revenues and was established by County ordinance for the purpose of disbursing financial payment to eligible HCAP Providers for health care and treatment of indigent County Patients and Indigent or Unclaimed County Decedents as determined eligible by the regulations and provisions of this HCAP Policy.
2. The HCA Fund exists to assist eligible indigent County Patients and Indigent or Unclaimed County Decedents who meet HCAP Policy criteria with payment of their health care expenses and/or cremation and burial expenses. The Fund is not intended to serve as health care insurance or a substitution for health care insurance, or a substitution for cremation, burial, or funeral arrangements, but is intended to be a payer of last resort.

B. ADMINISTRATION OF HCA FUND. The HCA Fund shall be administered by the County Health Care Assistance Board (the "Board"), formerly the County Indigent Hospital and Health Care Board, which shall be composed of the members of the County Council of the Incorporated County of Los Alamos and the Chair and Vice-Chair of the County Council shall be the Chair and Vice-Chair, respectively, of the Board. The Board shall have and exercise all powers and duties enumerated in the Acts at Section 27-5-6, N.M.S.A. 1978, and Sections 24-13-1 through 24-13-8, N.M.S.A. 1978.

C. HCA ADMINISTRATOR. The County Manager shall supervise an HCA Administrator to manage and administer the provisions and procedures of the HCAP Policy. The Board hereby delegates its power and authority under the Acts, as and to the extent authorized by the Acts, to the HCA Administrator. The HCA Administrator may utilize the facilities and the resources of all County Departments and seek the assistance of the New Mexico Human Services Department, as provided in Section 27-5-16, N.M.S.A. 1978. The HCA Administrator may further delegate specific tasks to other County staff, or to a contractor.

D. INTERPRETATION. This Policy shall be interpreted and construed to conform to the Acts. It shall be HCAP Policy that all persons who possess or are eligible for alternative means to cover their own health care and cremation or burial expenses shall do so. Indigent County Patients and Indigent or Unclaimed County Decedents must demonstrate an inability to provide for their own health care expenses or cremation or burial expenses as determined by the HCA Administrator in conformity with this Policy. The provisions of this HCAP Policy are intended to accomplish this objective and, therefore, the provisions shall be interpreted strictly.

The HCA Administrator shall assure that every reasonable effort has been made to demonstrate that the Indigent County Patient or Indigent or Unclaimed County Decedent is eligible for HCA Fund assistance. Interpretations of the provisions of this HCAP Policy shall be made by the HCA Administrator, subject to review by the County Manager and County Attorney.

- E. SUPPLEMENTS.** Supplements to this HCAP Policy that are consistent with the provisions of the Acts may be written by the HCA Administrator and included as a part of the HCAP Policy upon review and approval of the County Manager and County Attorney. Written supplements are not a revision or amendment to the HCAP Policy, but are written to provide interpretation or clarification of provisions, to provide illustration, examples, forms, other additional information or detail procedures deemed appropriate or necessary to administer the HCAP Policy.
- F. REVISIONS.** Amendments or revisions to the HCAP Policy will be effective only if adopted by the Board.
- G. EFFECTIVE DATE.** This HCAP Policy is adopted this 14th day of November, 2017, and is effective for all purposes December 1, 2017. This HCAP Policy supersedes and replaces in its entirety the Los Alamos Indigent Health Care Policy approved by the Board on November 29, 2016 and effective December 1, 2016.
- H. SEVERABILITY.** If any section, subsection, clause, phrase or portion of this HCAP Policy is, for any reason, held invalid or unconstitutional by any government agency or court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

SECTION II. INDIGENT COUNTY PATIENT, INDIGENT OR UNCLAIMED COUNTY DECEDENT ELIGIBILITY.

A. A Indigent County Patient or Indigent or Unclaimed County Decedent shall be eligible to receive benefits under this HCAP Policy **only** if:

- 1. RESIDENCY.** The Indigent County Patient has been a resident of Los Alamos County continuously and without interruption for a period of ninety (90) days prior to the date of service. The Indigent or Unclaimed County Decedent is a resident of Los Alamos County, or found and unclaimed in Los Alamos County at the time of death.
- 2. INCOME.** The Patient's household annual gross income, less any adjustments permitted under this HCAP Policy, equals or is less than 225% of federal poverty guidelines. An eligible income level as established by this HCAP Policy, including asset limitations, conclusively establishes that a Patient after consideration of that income and those assets, is not able to pay the cost of medical care, as well as other necessities of life for himself and his dependents; and
- 3. ASSETS.** The Patient's family shall have no more than Ten Thousand Dollars (\$10,000.00) in assets or no more than Five Thousand Dollars (\$5,000.00) in assets if Patient is a single person. The Indigent or Unclaimed County Decedent's estate will be reviewed to be determine if it is insufficient to cover the cost of cremation and/or burial. Any known assets or property of sufficient value will be applied to defray the expenses of cremation and/or burial through invoices sent by the Indigent or Unclaimed County Decedent's recognized estate administrator, if any.

4. **JAIL DETAINEE.** For purposes of eligibility under this HCAP Policy, any person detained in the Los Alamos County jail is deemed to otherwise meet the eligibility requirements while incarcerated.
5. **DECEDENT.** An Unclaimed County Decedent is one whose body has not been claimed by a friend, relative or other interested person assuming the responsibility for and expense of disposition. An Indigent Decedent is a deceased person that shall be considered to be an indigent if his/her estate is insufficient to cover the cost of burial or cremation.

B. PAYMENT LIMITATIONS.

1. Payment for all Indigent County Patient services are limited to fifty thousand dollars (\$50,000) lifetime per person. This amount shall be calculated and include all claims for services rendered and paid out of the HCA Funds. A Patient whose benefits have reached the specified amount is no longer an eligible Indigent County Patient.
2. Payment for all Indigent County Patient claims eligible for payment shall not exceed Fifteen Thousand Dollars (\$15,000.00) per person, per County fiscal year.
3. Payment for Indigent or Unclaimed County Decedent expenses shall not exceed Twelve Hundred Dollars (\$1,200) per deceased (No more than Six Hundred Dollars (\$600) or the burial or cremation of any Indigent or Unclaimed County adult or minor, and no more than Six Hundred Dollars (\$600) for the County's cost of opening and closing a grave).

C. REQUIRED NOTIFICATION. An Indigent County Patient is required to immediately notify the HCA Administrator in writing if there has been any change in the Indigent County Patients' circumstances that has caused or may cause the Indigent County Patient to be ineligible to receive benefits under this HCAP Policy. At the earliest opportunity, an Indigent County Decedent's recognized estate administrator or next of kin is required to inform the HCA Administrator of any known assets or property of sufficient value, which will be applied to defray the expenses of cremation and/or burial. Should any funeral director or other person allowed by law to conduct the business of a funeral director accept money from the relatives or friend of a deceased person whom the Board has determined to be an Indigent or Unclaimed County Decedent, the funeral director shall immediately notify the Board of the payment or offer for payment, and the Board shall not thereafter pay for the burial or cremation involved, or, if the Board has already paid for the burial or cremation, the funeral director shall immediately refund the money paid to him/her by the Board for the burial or cremation.

SECTION III. APPLICATIONS GENERALLY.

- A. COMPLIANCE.** The HCA Administrator shall accept and consider for HCA Fund assistance only those applications for which the Indigent County Patient has complied with the provisions of this HCAP Policy.
- B. PATIENT COOPERATION.** Failure of an Indigent County Patient to cooperate in the investigation of information, or in providing the HCA Administrator with authorization to obtain information, is grounds for rejecting the application.
- C. SUBMITTAL.** An application for HCAP assistance may be submitted at any time to the Provider. The Indigent County Patient, the Indigent County Patient's spouse, the Indigent County Patient's parents or guardian if the Indigent County Patient is a minor, or the guarantor of the Indigent County Patient's expenses, or an Indigent County Decedent's recognized estate administrator or next of kin may submit the application. A minor may initiate an

application on his or her own behalf if emancipated. An application made on behalf of a Indigent County Patient posthumously for coverage of health care expenses will not be accepted.

- D. APPLICATION VERIFICATION.** The Indigent County Patient or Decedent's recognized estate administrator or next of kin may then provide a completed HCAP Application for Assistance to the Social Services Division of Los Alamos County, who will process the Application on behalf of the HCA Administrator. Social Services Division, on behalf of the HCA Administrator, shall review the application and take additional reasonable steps to verify that the information submitted is true and correct within a reasonable time after submittal of the application. Social Services Division may, on behalf of the HCA Administrator, require the Indigent County Patient or Decedent's recognized estate administrator or next of kin provide information including, but not limited to, verification from the Human Services Department or New Mexico Health Insurance Exchange indicating ineligibility for assistance and/or affordable health insurance, adult household members' financial contribution affidavits, information from local law enforcement, Office of Medical Investigation, or other information. Social Services Division may, on behalf of the HCA Administrator, require the Indigent County Patient or Decedent's recognized estate administrator or next of kin to participate in an oral interview to determine eligibility.
- E. INCOMPLETE APPLICATIONS.** Social Services Division, on behalf of the HCA Administrator, will notify the Indigent County Patient or Decedent's recognized estate administrator or next of kin within a reasonable time if the application is incomplete. The Indigent County Patient or Decedent's recognized estate administrator or next of kin will have thirty (30) days after the notification date to provide further supporting documentation. If requested information is not received within the allotted time, the application file will be closed.

SECTION IV. APPLICATION CONTENTS.

Applications shall include the following:

- A. PATIENT IDENTIFICATION.** The HCAP Application for Assistance shall include, but not be limited to, the following: Name, address, or other personal identification of the Indigent County Patient or Decedent deemed appropriate by Social Services Division, on behalf of the HCA Administrator. If the Application is submitted on behalf of the Indigent County Patient or Decedent, it shall additionally include: Name of agency, provider, Indigent County Patient's representative or Decedent's recognized estate administrator or next of kin submitting the application. Indigent County Patients will also submit specific authorization in writing, signed by the Indigent County Patient or the Indigent County Patient's agent if the Indigent County Patient is unable to sign, that the Indigent County Patient's representative is authorized to submit the application on the Patient's behalf.
- B. RESIDENCY.** For purposes of determining residency, the HCA Administrator may consider any evidence of residing in a permanent or principal living quarters or residence within the County, such as utility bills, lease agreements, voter registration or other documentation, as Social Services Division may find necessary and sufficient, on behalf of the HCA Administrator. If only one parent of a minor child of separated or divorced parents resides in Los Alamos County, the Indigent County Patient, on behalf of the minor child, must provide any Separation or Divorce Decree pertaining to the custody of the minor child. HCA Funds may only be used to pay the cost of eligible costs for a minor child whose custodial parent resides in Los Alamos County and only if the child and the custodial parent qualify to receive the benefit of HCA Funds.

C. JAIL DETAINEE. For purposes of eligibility under this HCAP Policy, any person in Los Alamos County police custody is deemed to meet the Indigent County Patient eligibility requirements. An HCAP Application is not required; however, verification of custody shall be provided by the law enforcement agency to Social Services Division, on behalf of the HCA Administrator, in a timely manner.

D. INCOME AND ASSETS. The Indigent County Patient must provide proof of income and assets as required by this HCAP Policy and as may be deemed necessary and sufficient by the Social Services Division, on behalf of the HCA Administrator, to verify eligibility. An Indigent County Decedent's recognized estate administrator or next of kin must provide proof of available assets as required by this HCAP Policy and as may be deemed necessary and sufficient to verify eligibility. Except for allowed assets described in Section IV. D.4. below, an applicant must also demonstrate that any other available sources of payment assistance have been exhausted or are otherwise unavailable or insufficient.

1. HOUSEHOLD ANNUAL GROSS INCOME DETERMINATION.

- (a)** The Indigent County Patient is required to provide current pay stubs or documentation of other earned and non-earned income, including most recent state and federal income tax returns, and any other documentation necessary to determine the Indigent County Patient's household annual gross income. Household annual gross income shall include all income earned or received, including without limitation amounts that are untaxed or with respect to which taxes are deferred. Child support received by the Indigent County Patient shall not be included in calculating the Indigent County Patient's annual gross income. Payments made by the Indigent County Patient of child support shall not be deducted from the Indigent County Patient's household annual gross income.
- (b)** Household annual gross income for Indigent County Patients who own their own business shall be demonstrated by the Indigent County Patient's most recent federal income tax returns, including all schedules that support adjusted gross income per the tax return. Depreciation and amortization of goodwill claimed for Patient's business will be added to the household annual gross income for the purpose of computing income eligibility.
- (c)** The Indigent County Patient may provide alternate forms of verification of annual gross income for the previous twelve months in lieu of or in addition to the most recent federal income tax return, at the discretion of Social Services Division, on behalf of the HCA Administrator.

2. NUMBER OF FAMILY MEMBERS.

- (a)** Dependent family members under eighteen (18) years of age will be counted in determining the number of family members in the household. Their earned income, if any, will be exempt in determining the household annual gross income of the Indigent County Patient. Their unearned income, including but not limited to social security, SSI or welfare benefits, shall be included in determining their parents' annual gross income.
- (b)** Dependent family members eighteen (18) years of age or older will be counted in determining the number of family members in the household and such dependent family member's annual gross income shall be included in the Indigent County Patient's household annual gross income unless the dependent is a student, in which case the dependents income will not be countable. If such a dependent family member is the Indigent County Patient, only his/her annual

gross income shall be counted in determining the Patient's household annual gross income and the number of family members will be determined as one (1).

- (c) A non-dependent child under 18 years of age who is the Indigent County Patient and who is self-supporting and living with a family unit will be considered as an autonomous adult with the child's income considered separately toward the determination of the child's annual gross income.

3. FINANCIAL OR IN-KIND SUPPORT. Non-dependent, adult household or non-household member(s) who provide financial or in-kind support for the living expenses of the Indigent County Patient shall sign and submit to Social Services Division, on behalf of the HCA Administrator, a sworn statement indicating the amount of the support to the Patient. The value of such support shall be included in the determination of the Patient's gross annual income.

4. ASSETS. Indigent County Patients are required to complete the financial section, listing their liabilities and liquid assets, on the Application to determine financial eligibility for HCA Fund assistance. Indigent County Patients must use any liquid assets in excess of Ten Thousand Dollars (\$10,000.00) per household, or Five Thousand Dollars (\$5,000.00) in the case where an Indigent County Patient is the only member of his/her household, as payment against any bills eligible under HCAP before Social Services Division will consider payment of these bills, on behalf of the HCA Administrator. A Decedent's recognized estate administrator or next of kin is required to complete the financial section, listing a Decedent's assets or property on the application to determine financial eligibility for HCA Fund assistance. Decedents must apply any known assets or property of sufficient value to defray the expenses of cremation and/or burial.

E. EXTENSION OF INDIGENT COUNTY PATIENT BENEFITS. The HCA Administrator, with the approval of the County Manager and 3-day advance notice to the Board, may extend benefits in exceptional cases where eligibility requirements are otherwise met, but maximum payments are exceeded upon a finding that a strict, mechanical application of any provision would, to a reasonable degree of medical probability based on medical opinions provided to the HCA Administrator, result in an immediate and substantial limitation of the individual's ability to perform major life activities such as caring for oneself, working, performing manual tasks, walking, seeing, hearing, speaking, breathing, or learning. The fiscal condition of the HCA Fund will be a consideration in determining whether to extend benefits pursuant to this section. The burden of persuasion for such finding shall be upon the Indigent County Patient requesting the extension of benefits and must be supported by written certification from the Indigent County Patient's treating physician that such circumstances exist and the basis for such conclusion. The HCA Administrator shall, in all cases, specifically state the reasons for granting an extension of benefits.

SECTION V. CONFIDENTIALITY; AND APPEALS.

A. CONFIDENTIALITY. Confidentiality of an Indigent County Patient's or Decedent's personal health information shall be maintained at all times in accordance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

B. CLAIM DENIAL AND APPEAL PROCESS.

1. Social Services Division, on behalf of the HCA Administrator, shall inform the Patient in writing within thirty (30) days after his/her Application has been denied or his/her claim

payment has been denied. The Division, on behalf of the HCA Administrator, shall state the reasons for the denial and shall inform the Patient of the appeal rights afforded by this HCAP Policy. The Patient may appeal to the Board an adverse decision by either the Division or the HCA Administrator not later than thirty (30) days after the date of the written notification of denial. Such requests must be in writing and cite specific reasons for appeal including citation to specific provisions of this HCAP Policy in support of the appeal. The appeal may not seek a waiver of any provision of this HCAP Policy. The appellant or his or her representative may appear at the hearing on the appeal, which may be held in closed session in accordance with the law. The Board will review the basis for the appeal including any new information and may deliberate privately. The Board will render a decision on the appeal in open session of the Board meeting. If the appellant or his or her representative does not appear for the hearing on the appeal, the Board will proceed to a determination on the appeal and the HCA Administrator will notify the appellant of the Board's decision in writing. Appeal hearings shall be held within forty-five (45) days after receipt of a written appeal of a denied claim.

2. Any eligible HCAP Provider aggrieved by a decision of the Board or its designee may appeal to the district court as provided in Section 27-5-12.1, N.M.S.A. 1978.

SECTION VI. PROVIDERS.

A. ELIGIBLE PROVIDERS. The following providers of health care services who have entered into valid provider agreements with the Board, on terms and conditions acceptable to the HCA Administrator and consistent with this HCAP Policy and the Acts, and who agree to comply with all applicable provisions of the Health Insurance Portability and Accountability Act (HIPAA) of 1996 are eligible to receive payment from the HCA Fund, within the payment limitations stated in Section II.B of this HCAP Policy:

1. Ambulance service providers that are licensed, certified or registered by the appropriate New Mexico state agency. Reimbursements of claims will be paid in an amount not to exceed a predetermined allocation, determined by the County, based on fund availability.
2. Other medical, dental, pharmaceutical, and behavioral health care provider(s) with whom the County has contracted and selected to provide agreed upon services to detainees of Los Alamos County. Reimbursements of claims will be paid in an amount not to exceed a predetermined allocation, determined by the County, based on fund availability.
3. Other medical, dental, and behavioral health care provider(s) with whom the County has contracted and selected to provide agreed upon services to residents of Los Alamos County. Reimbursements of claims will be paid in an amount not to exceed a predetermined allocation, determined by the County, based on fund availability.

As of July 1, 2014, Hospitals formerly designated as Sole Community Provider (SCP) Hospitals receive payment for services directly through New Mexico State's Human Services Department and no longer have any contract with the Board as an eligible HCAP Provider. As such, the Board no longer accepts claims submitted by these Hospitals.

B. CLAIMS PREPARATION AND VERIFICATION. An eligible HCAP Provider shall submit claims to the Social Services Division, on behalf of the HCA Administrator, and shall ensure claims submitted on behalf of eligible HCAP Patients are as payment of last resort.

C. DISCLOSURE. Eligible HCAP Providers may be required to provide to Social Services Division, on behalf of the HCA Administrator, reports, financial statements, billing, or other information deemed necessary to processing a claim for eligibility under the HCAP Policy.

D. LIMITATIONS ON COLLECTIONS. Once a Patient's claim has been deemed eligible for payment from the HCA Fund, an eligible HCAP Provider shall not pursue any further collection of any portion of the Patient's claim from any person or party. Such payment from the HCA Fund shall be deemed by the eligible HCAP Provider as payment in full.

E. PROVIDER'S RESPONSIBILITY.

1. It is the responsibility of the eligible HCAP Provider to verify with the Social Services Division, on behalf of the HCA Administrator, that an Indigent County Patient meets the eligibility requirements of HCAP, as stated in Section II.A, prior to submitting a claim or expenses to the HCA Fund for payment. Once eligibility has been verified, Social Services Division, on behalf of the HCA Administrator, shall then process payment of submitted claims or expenses.
2. It is the responsibility of the eligible HCAP Provider to submit claims or expenses to Social Services Division, on behalf of the HCA Administrator, no later than 120 days past the date of service.
3. At the request of the Social Services Division, on behalf of the HCA Administrator, an eligible HCAP Provider must provide evidence of licensure under the laws of the State of New Mexico, or any state or other governmental entity in which the Provider operates; and also provide any other information or data that may be deemed necessary by the Board to indicate that medically necessary services have been rendered.
4. As part of any audit of HCAP, eligible HCAP Providers may also be audited to ensure their compliance with the HCAP Policy.

SECTION VII. PAYMENT OF CLAIMS.

A. PAYMENT RATES.

1. Payment of HCA Funds shall be made only to eligible HCAP Providers, only in payment for eligible services under this HCAP Policy, and subject to the limitations imposed herein. Claims shall be submitted on itemized bills or on standardized medical claim forms acceptable to Social Services Division, on behalf of the HCA Administrator. Total charges to eligible Patients, prior to any adjustment to a final payment rate, shall not exceed the normal charges to non-indigent patients.
2. Payment of HCA Funds to eligible HCAP Providers shall be reimbursed at a rate not to exceed the Medicaid rate, where a Medicaid rate has been established. Where a Medicaid rate has not been established, HCAP Providers shall be reimbursed at the rates established by the State of New Mexico and posted on the New Mexico Human Services Department's website.
3. The HCA Administrator may initiate an independent medical review to determine if any claim for an Indigent County Patient's treatment is appropriate. The HCA Administrator may contract for this service, as long as the reviewers are independent of the parties to the claim.
4. The HCA Board authorizes the HCA Administrator to approve payment to eligible HCAP Providers only after determining that: 1) the Indigent County Patient for whom the claim is made is an eligible Indigent County Patient; 2) the costs claimed are allowable; and 3) there is compliance by the eligible HCAP Provider and the eligible Indigent County Patient with this HCAP Policy and with the Acts.

5. Except as otherwise authorized by this HCAP Policy, all claims approved pursuant to this HCAP Policy shall be paid to the eligible HCAP Provider within thirty (30) days after approval based upon availability of funds.
- B. HCA FUNDS EVIDENCE OF PAYER OF LAST RESORT.** Eligible HCAP Providers shall provide evidence that all other possible sources of payment are unavailable for payment of their claims, such as but not limited to veteran's benefits, health insurance, workers compensation, Medicaid and/or Medicare. HCA Funds may then be approved for payment as a payer of last resort, consistent with the provisions of this HCAP Policy.
- C. CLAIMS ELIGIBLE FOR PAYMENT.** Subject to the payment limitations described in Section II.B of this HCAP Policy, claims eligible for payment to eligible HCAP Providers on behalf of eligible Patients include:
1. Care and treatment that is medically necessary. Medically necessary includes primary, wellness, and preventive visits, as well as acute care related to the diagnosis and/or treatment of illness or injury or emergency medical services.
 2. Ambulance transportation, limited to the distance to the "nearest" acute care hospital where the needed medical care can be provided regardless of where the Patient requests to be sent or is actually transported. Subsequent transports for treatment may be eligible for payment if medically necessary and requested by the attending physician.
 3. Behavioral health and alcohol or substance abuse treatment services for eligible Patients.
- D. CLAIMS NOT ELIGIBLE FOR PAYMENT.** Claims including, but not limited to, the following are not eligible for payment on behalf of an Indigent County Patient; 1) surgery or treatment not medically necessary; 2) physician care by a physician not employed or contracted by an eligible HCAP Provider, or otherwise billed by the hospital; 3) services not rendered by an eligible HCAP Provider; 4) prescribed medication and over the counter medication unless for a detainee Patient; 5) elective surgery or treatment; 6) any claim for less than Twenty-five Dollars (\$25.00); 7) claims for reimbursement of payments made by the Patient directly to the HCAP Provider; 8) funerary services beyond cremation and/or burial for Indigent County Decedents; and 9) services rendered through a hospital qualified to receive Safety Net Care Pool funds administered by the State Human Services Department, and to which the Board directs payment of HCA Funds in conformity with applicable law.
- E. OVERCHARGES.** Any eligible HCAP Provider found billing for services not rendered or not eligible for payment, overcharging, billing for "no-shows," billing greater than the normal insurance company or government agency for the same services, or engaging in other similar activities is in violation of the provisions of the HCAP Policy and is in breach of contract with the Board and shall not receive further payment of HCA Funds. The provider shall be given the opportunity to provide its justification and documentation to the HCA Administrator and the Board prior to any action being implemented. The Board, or the HCA Administrator on behalf of the Board, may, at its discretion, carry out an investigation to determine overcharges or improper billing. An eligible HCAP Provider shall provide to the Social Services Division, on behalf of the HCA Administrator, information requested to verify charges. The HCA Administrator may decline to approve claims made by an eligible HCAP Provider suspected of violating of this HCAP Policy until such time as an investigation is complete.
- F. PAYMENT LIMITED TO AVAILABLE FUNDS.** The Board will pay claims that have been approved pursuant to this HCAP Policy to eligible HCAP Providers provided there are available monies in the HCA Fund. The HCA Administrator will make payment based upon the order in which claims are approved. If the HCA Fund is exhausted, excluding the allotment for administrative and planning costs as specified in the Acts under Section 27-5-6(B), N.M.S.A. 1978 and Section 24-13-3 and 24-13-4 N.M.S.A. 1978, any outstanding claims will

also be paid based upon the order in which they have been approved, as soon as monies become available in the HCA Fund.

- G. SUBROGATION.** Payment to an HCAP Provider, on behalf of an eligible Patient shall operate as an assignment to the Board of any cause of action such an eligible Patient may have against third parties to the extent of the payment from the Fund to the HCAP Provider.

SECTION VIII. OTHER AUTHORIZED USE OF FUNDS.

A. EXPENSES FOR CREMATION OR BURIAL.

Payment of HCA Funds for funerary services for Indigent or Unclaimed County Decedents will be made only for cremation or burial services in an amount not to exceed Six Hundred Dollars (\$600.00) and for of opening and closing a grave in an amount not to exceed Six Hundred Dollars (\$600.00). Claims for cremation and/or burial service expense shall be submitted on itemized invoices acceptable to Social Services Division, on behalf of the HCA Administrator. At the earliest opportunity, an Indigent County Decedent's recognized estate administrator or next of kin is required to inform the HCA Administrator of any known assets and property of sufficient value, which will be applied to defray the expenses of cremation and/or burial. After a determination has been made that a body has not been claimed by next of kin, and meets eligibility as an Unclaimed Decedent of the County, the HCA Administrator or designee will ensure that the Unclaimed County Decedent is cremated. Cremation will occur no later than thirty (30) days from this determination, but no less than two (2) weeks from time of death. An Unclaimed County Decedents' remains will be retained and stored for no less than two (2) years in a manner that allows for their identification. After two (2) years' retention, Unclaimed County Decedents' remains may be disposed of, provided a record of the place and manner of disposition is retained for not less than five (5) years. Should any funeral director or other person allowed by law to conduct the business of a funeral director accept money from the relatives or friend of a deceased person whom the Board has determined to be an Indigent or Unclaimed County Decedent, the funeral director shall immediately notify the Board of the payment or offer for payment, and the Board shall not thereafter pay for the burial or cremation involved, or, if the Board has already paid for the burial or cremation, the funeral director shall immediately refund the money paid to him/her by the Board for the burial or cremation.

B. OBLIGATIONS TO COUNTY-SUPPORTED MEDICAID AND SAFETY NET CARE POOL.

HCA Funds may be used to make payments to New Mexico State's County-Supported Medicaid Fund in an amount equal to 1/16th Gross Receipts Tax. HCA Funds may also be used to make payments to the New Mexico State's Safety Net Care Pool in an amount equal to 1/12th Gross Receipts Tax.

C. ADDITIONAL COUNTY ADMINISTRATIVE EXPENSES.

HCA Funds may be used to pay for county administrative and planning expenses associated with this Policy, in accordance with Section 27-5-6.
