

**Assisted Refuse and Recycle Collection Registration Form**

Los Alamos County offers assisted refuse and recycle collection service to residents who are unable to place their trash or recycle roll carts at the curb on collection day. Environmental Services operators will pull your roll cart to the curb, service and return to original location.

**Description of Service:**

Refuse and recycle roll carts must be easily accessible and visible from the front of the residence. Refuse must be bagged and placed in the roll cart, recycling should be placed in roll cart un-bagged.

**Qualification for Service:**

A handicapped placard or letter from a certified physician is required to qualify for this service. This form and qualifying document(s) may be mailed, faxed, e-mailed, or hand delivered into the Eco Station located at 3701 E. Jemez Road.

**Qualification for this service must be renewed annually:**

A renewal form will be mailed annually by February 1<sup>st</sup>, please return the form no later than April 1<sup>st</sup>. If the renewal form and updated documents are not returned prior to April 1<sup>st</sup>, this service will be suspended. If you are unable to return your qualifying document(s) by the deadline, please give us a call at (505) 662-8163.
