

Book Buddies

child reader application form

Children must be at least six years old to be matched with a teen book buddy. Book buddies don't teach reading skills, but help [emergent readers](#), [early fluent readers](#), and [fluent readers](#) practice reading skills. Sessions are 30 minutes and at Mesa Public Library only.

Child's name: _____

Age and grade: _____

Parent's name: _____

Readers may bring their own book from home or school or use books from the library. The library has a dedicated collection of readers and chapter books for book buddies that are used only in the library. Many of these titles are also on library shelves, but our special collection ensures that books needed week after week are always available.
