PROPOSAL REVIEW AND EVALUATION

Proposals shall be handled so as to prevent disclosure of the identity of any Offeror or the contents of any proposal to competing Offerors during the process of negotiation.

After the RFP has closed, Procurement Division staff prepares a register of proposals containing the name of each Offeror, the number of modifications received, if any, and a description sufficient to identify the item offered. The register of proposals is open to public inspection only after contract award. Procurement

Division staff delivers the RFP submittals to the Evaluation Committee Chairperson. The Evaluation Committee reviews and evaluates the submittals. Interviews are only for the purpose of clarification and may be used for adjusting the final score. Discussions may be conducted with responsible offerors who submit proposals determined to be reasonably likely to be selected for award for the purpose of clarification to ensure full understanding and conformation with solicitation requirements for the purpose of obtaining best and final offers.

For proposals that qualify for Preference, the following procedure will apply; the total evaluation score with or without the cost factor of each proposal received from a qualifying offeror shall be multiplied by 1.05. After application of the factor, the contract shall be awarded to the highest score. If one or more scores are equal, the same procedure shall be followed with respect to the next category of offerors listed, and the next, until an offer qualifies for award. The priority of categories of offers is as follows:(1) Local business; (2) Resident business.

The Evaluation Committee Chairperson forwards the final evaluation results to the Procurement Division. Award shall be made to the responsible Offeror whose proposal is determined in writing by the Evaluation Committee to be the most advantageous to the County, taking into consideration the evaluation criteria set forth in the solicitation.

AWARD OF SOLICITATION

Following award of the solicitation by County Council, the successful Offeror will be required to execute a contract with County in accordance with the terms and conditions set forth in the Services Agreement, a sample of which is attached as Exhibit A. Offeror may identify any exception or other requirements to the terms and provisions in the Services Agreement, along with proposed alternative language addressing the exception; County, as a governmental entity is subject to certain laws and prohibitions and may, but is not required to, negotiate changes in contract terms and provisions, but will not agree to language that is in violation of the law. The Services Agreement as finally agreed upon must be in form and content acceptable to County.

OBLIGATIONS OF FEDERAL CONTRACTORS AND SUBCONTRACTORS; EQUAL OPPORTUNITY CLAUSES

Contractors and Subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4, 60- 300.5 and 60-741. These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability.

Contractors and subcontractors agree to comply with all the provisions set forth in 29 CFR Part 471, Appendix A to Subpart A.

An Offeror is requested to complete the Certification Regarding Debarment, Suspension, and Other Responsibility Matters Form, attached as Exhibit B, and submit with the proposal; if this exhibit is not included with the proposal, it must be provided prior to the evaluations of the received proposals, otherwise the Offeror's proposal will not be considered.
